Topics

- New Curriculum
- FY15 & FY16 Schedule
- Prerequisite Courses
- Training Requirements
- Certification
- Things to Work

New 100-Level Distance Learning (DL) Courses

- ACQ 120 - Fundamentals of International Acquisition
- Fielded Oct 2013
- 19 hours/CLPs
- 2nd Highest MTMs of any DAU DL course

- ACQ 130 - Fundamentals of Technology Security/Transfer
- Fielded Oct 2013
- 12 hours/CLPs
- Highest MTMs of any DAU DL course

- New 100-level foundational learning allows higher learning at 200-level
- Will recommend taking in order: ACQ 120 then ACQ 130. Better, but not required

Retired Courses
(As of April 1, 2014)

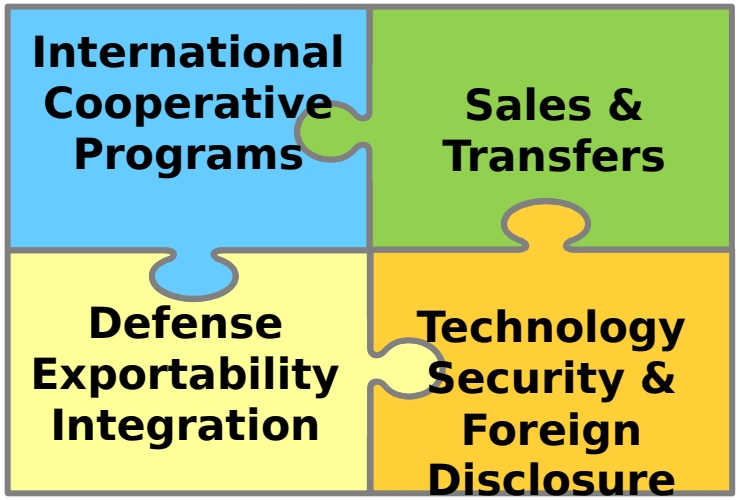
- **PMT 202 – Multinational Program Management Course (MPMC)**
- **PMT 203 – International Security & Technology Transfer/Control**

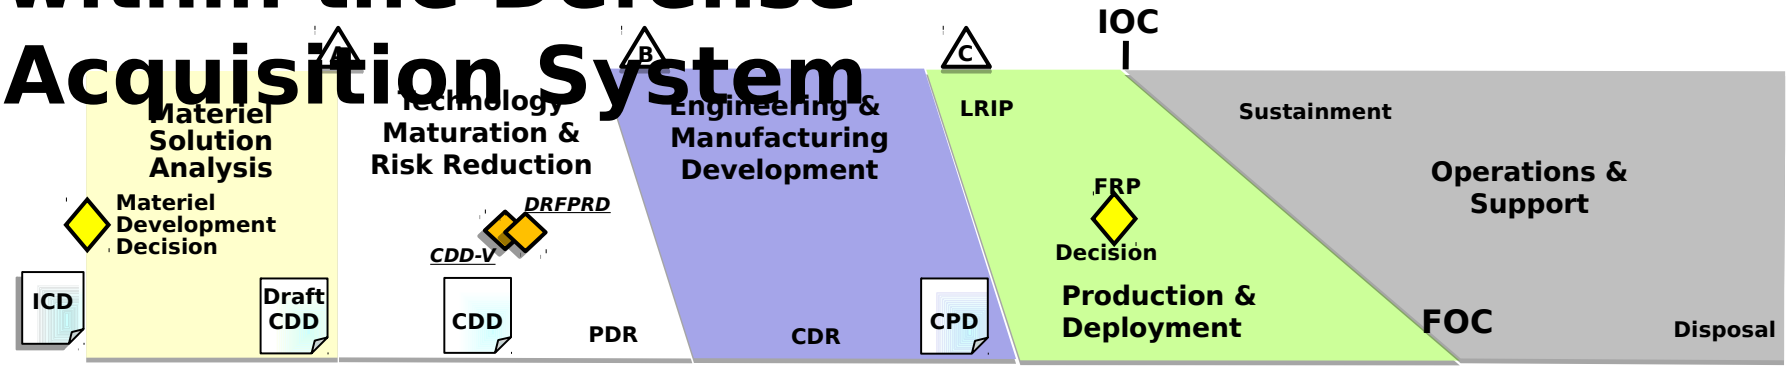
Replaced by ACQ 230 – Fundamentals of International Acquisition Course

New ACQ 230 Course

Course Objective

Plan, integrate, and implement international acquisition programs within the Defense Acquisition System





IACP Level III - Change

- **PMT 304, Advanced International Management Workshop (AIMW) had been the IACP Level III required course**
- **Changed to PMT 313, Advanced Technology Security/Control Workshop ATS/CW in FY 15 DAU catalog**
- **PMT 313 content more beneficial to essentially all IACP-coded positions**

Current and Planned IACP Level I-III Curriculum

Expanded IACP Training Requirements

Training Requirements

- **Provided in DAU iCatalog Certification & Core Plus Development Guides (for only Program Management)**
  - PM Level I
  - PM Level II
  - PM Level III
- **What are the training requirements for other career fields particularly at Level III?**
- **How should these be shown in DAU iCatalog?**

“Certification”

Documentation of Defense Acquisition Workforce (DAW) member completion of expanded IACP training requirements:

- **DAU defines IACP training course requirements for PM and other target DAWIA career fields in DAU’s iCatalog**
- **DACMs implement IACP certification tracking for DAW members based on individual student completion of IACP training requirements:**
  - **Begin with PM career field based on known IACP course requirements in DAU iCatalog**

Things to Work

- Promote FY15 attendance
- Estimate FY16 demand
- Review/adjust prerequisite courses
- Determine training requirements for other career fields
- Refine list of core plus training requirements
- Revise DAU iCatalog to reflect training requirements for
